

**AMENDMENTS TO THE SPECIFICATION**

Please insert the following paragraph at page 1, line 7.

The file copy of the sequence listing is submitted on a Compact-Disc Read Only Memory (CD-ROM). The sequence listing is saved as an ASCII DOS text file named 40794.txt (1.4MB), which was created on October 19, 2005. The contents of the CD-ROM are incorporated herein by reference in its entirety.

**IN THE SEQUENCE LISTING**

Please replace the sequence listing of the application as filed (pages 1-154) with the substitute sequence listing contained on CD-R submitted herewith.
